Please see here about my problem :
http://forum.lxlabs.com/index.php?t=msg&th=8775&star t=0&
lxhelp told me to discuss this here

could anyone help please?

You should post in the third party support and NOT howto. You can get commercial support from third parties there.

thanks.

It is there in the general section . If you can't still find it, please let me know, I will post the link.

thanks.
